

1.2.2 - Offset Litho Marginal Markings

Offset Litho Printing

Only two varieties of 6th Definitive stamps were issued with offset Litho printing.
(On a trial basis)

2p Adult Education

5p Pisciculture

Both can be identified by fine horizontal lines in the design.

Actual Stamp

Enlarged view (Horizontal Lines)

Sheet Markings

- a) V-type Arrow on any or two margins
- b) Perforation guide hole with (+) mark
- c) Sheet cutting mark (-)

It should be noted that printer's imprint and cylinder number are not given in case of definitive stamps printed by offset litho for both the stamps.
