Introduction

By A.K. Bayanwala

Since about 1965, when I took to special Post-marks of India as hobby, I have faced many difficulties for want of literature on the subject.

This sideline of Indian Philately has remained severely neglected so far, through the use of Slogans and special postmarks have increased many folds.

Being a keen student of this sidelines, I was surprised to know that even P & T Department has no systematic records to show as to when and where these cancellation have been used prior to 1952. This led me to record all known slogans and special postmarks. During the course of my study, I have taken help from the bulletins of India Study Circle, London, and from my own collection. As there is no check-list on this subject till date, errors and omissions are likely to occur in this book. I warmly welcome any suggestions, additions and alterations which will help me to improve my next edition.

In India, a particular slogan was issued from one post office only and sometimes another particular slogan was used throughout the country. When a slogan was used by different post-offices, different size, spacing, letters and pattern were used, because in Pre-Independence era these slogans were not prepared at one time or place. I have tried to record all such types and subtypes where ever it has been found possible.

As slogans and special post-marks are found on used mails, it is very hard to get clear and clean specimen, from which photographs can be taken. Therefore, I have taken the help of an artist who has done tracing of all slogans and special post-marks. The artist has tried her level best to reproduce the exact slogan or post-mark but still, tracing is a reproduction of the original and not as prefect as a photo-copy.

MACHINE STAMPED SLOGANS

This is the most popular method of applying slogans.

The earliest known type was used in 1917.

This method is used as cancellation, delivery post mark and also as supplementary post mark.

This book excludes cancellation applied by hand.

HOW TO COLLECT SLOGANS:

A few years back it was advised that slogans should be collected by cutting them from cards or envelops otherwise they will become bulky. But recently the trend has changed.

Now a slogan is collected and presented on entire cover or card etc.

If slogan are collected on pieces it will not be possible to tell the date of use, in case of supplementary slogans.

These slogans represent postal history of the nation, this is why they should be collected on entire covers cards etc.

Sometimes, error in these slogans post-marks are found, such as spelling mistakes, inverted date cancellation etc.

Machine “Slogan” Cancellation of India

Preface

Now, rather than leave it for the 'future'; its the lure of the golden era of Postal history that attracts a philatelist to this field, and a lot has been done about it, but today has been left absolutely unexplored.

Its not necessary whatever events that have taken place in the 'past' is history, its also what's happening today.

Today, which you see; but which is usually ignored.

Isn't it better to record today what's happening.

This listing is to provide the modern collectors with details in colour & illustration of the slogans.

A BOUQUET OF PHILATELIC ARTICLES

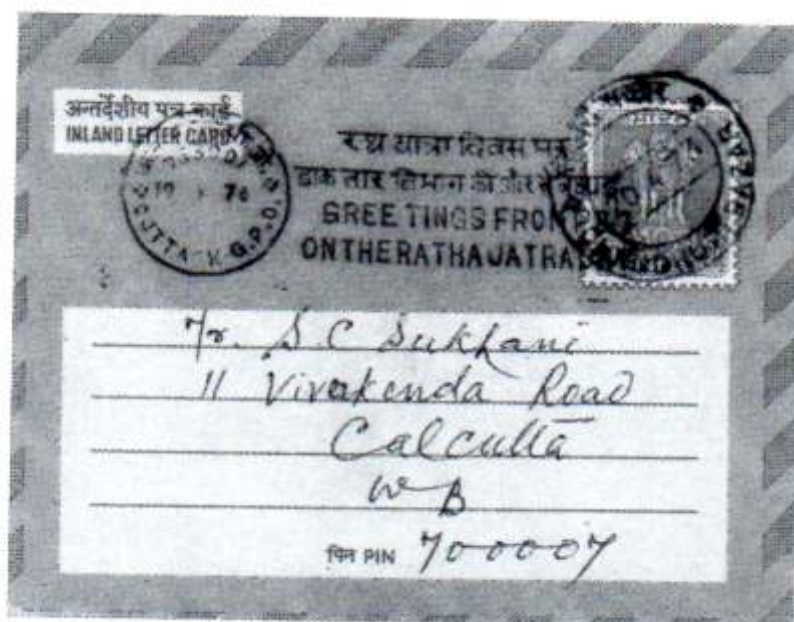

1941: As last, but with view of temple as in the 1939 issues. English version only. Printed in Green. It reads “VISIT RATHAJATRA AT PURI from 26th June 1941”.

The labels illustrated and described are in my collection. It may well be that labels in other languages and for other years were also issued. I would appreciate information from readers.

Before concluding, I wish to record that the bilingual slogan issued by the Postal Department on Rathajatra day, 29th June 1976, which reads “GREETINGS FROM & T/ON RATHAJATRA DAY”. My example shows a pre-issue, which is evident from the Cuttack Postmark of 19.4.76. It appears that the Cuttack Postmark of 19.4.76. It appears that the slogan was issued by mistake in April 1976 and, when advised, the department withdrew the slogan and issued it officially on 29.6.1976.

I believe this to be the only recorded pre-issue slogan cancellation.
