With a view to utilising them, it has now been decided that all the Postmasters in your jurisdiction may kindly be asked to withdraw the unsold stock of the said envelopes from the treasuries and sell them as embossed envelopes after affixing 2p. stamps thereon. The inscription "Express Delivery Envelope" may also be got cancelled by means of a rubber stamp with ink pad (blue) by drawing across two parallel lines. It may be made clear to them that under no circumstances franking of these envelopes is to be resorted to make up the value of 2p.stamps.

Yours faithfully,
