(Corrected upto 31st March, 1960)

## PREFACE

The delivery of postal articles in big cities has necessarily to be effected from a number of post offices each of which is assigned a particular delivery jurisdiction. Articles for localities on the borders of the jurisdiction of two neighbouring delivery offices are liable to be received by one or the other.

2. There are also certain localities which have the same or similar names but are served by different delivery offices and are liable to be received by the wrong delivery office. In order to prevent incorrect routing of mails and thereby preventing delay in the delivery of postal articles a system of assigning postal delivery Zone No. has been developed. If the postal articles bear correct delivery Zone No. in the address they are certain to find their way in the very first instance to the correct post office by which they are to be delivered.

3. With this end in view this Town Delivery Sorting List has been compiled. This will not only facilitate the correct sorting of articles by the postal staff but will also enable the PUBLIC to indicate the correct delivery Zone No. on the postal articles.

4. The assigning of Zone Nos. to delivery post offices was first introduced in Delhi and New Delhi in 1950 when there were only 10 delivery post offices. Since then due to considerable expansion, more delivery post offices have been opened.

5. A list of delivery post offices in Delhi and New Delhi with their delivery Zone No. appears at page 1.

6. Previously the following localities were included in the delivery Zone No. as noted against each:—

Central Secretariat . . . . .	New Delhi-2
Darya Ganj . . . . .	Delhi-7
Civil Lines . . . . .	Delhi-8

These localities are now included in the postal delivery Zone No. as noted below:—

Secretariat North . . . . .	New Delhi-1
Secretariat South . . . . .	New Delhi-11
Darya Ganj . . . . .	Delhi-6
Civil Lines . . . . .	Delhi-6

( ii )

There are several localities having the same name but served by different  
very post offices, e.g.,

Krishna Nagar	.	.	.	.	.	.	Delhi-31
Krishna Nagar	.	.	.	.	.	.	New Delhi-5
Krishna Nagar	.	.	.	.	.	.	New Delhi-3
Krishna Nagar	.	.	.	.	.	.	New Delhi-18
Krishna Nagar	.	.	.	.	.	.	New Delhi-16
Ram Nagar	.	.	.	.	.	.	New Delhi-1
Ram Nagar	.	.	.	.	.	.	New Delhi-18
Ram Nagar	.	.	.	.	.	.	Delhi-31
Ram Nagar	.	.	.	.	.	.	New Delhi-17
Krishna Market	.	.	.	.	.	.	New Delhi-5
Krishna Market	.	.	.	.	.	.	New Delhi-14
Krishna Market	.	.	.	.	.	.	New Delhi-1

In such cases it is all the more necessary that letters must bear correct  
Delivery Zone No., for otherwise they would be unnecessarily transferred  
from office to office.

This publication has been divided into the following parts:—

Part I contains list of important streets, lanes and localities and the  
Delivery offices by which they are served.

Part II contains list of important public offices, institutions and other  
well-known places with the delivery Zone Nos. of the offices by which they  
are served.

Part III contains list of Ministries with their important attached offices  
and the delivery Zone Nos. of the offices by which they are served.

Part IV contains the list of Foreign embassies and the delivery Zone Nos.  
of post offices by which they are served.
