Delivery Time Line / Flight Routes (in 2009)

A Speed Post booked from Nagpur (Zero mile Sp) in 2006

Major Routes Connected by dedicated freighter by India Post in 2009

① Norms, for delivery of Speed Post Post Office articles from booking centre to destination centre, were scheduled for each and every centre. It transpired that Postal Department and it's post offices used the delivery marks like - 'D 1 & D 2' etc for this purpose.

#### Zero Mile Location

Nagpur Zero Mile Hub National Speed Post Centre. Nagpur is precisely at the geographical centre-point of India and the zero mile marker is located here. The distances of various major cities which are measured from here are carved on the pillar erected at this zero mile site. Hence, Nagpur is called the zero mile centre.
